

J.G. Bennett Foundation Publishing Project

Publishing Project

By 2015, the majority of J.G. Bennett's written work was out of print, and the family made the decision to use print-on-demand technology to produce the current Collected Works Series. In the following mostly chronological list, titles originally written for publication are indicated in bold type; the titles edited by Bennett are in italics and the remainder in regular type.

The Collected Works:

1. *The Crisis in Human Affairs*
